9:00 AM Registration • **10:00 AM** Shotgun start

STANLEY GOLF COURSE • New Britain, CT

To register or sponsor, please visit: www.cil.org/cil-golf-2024

You're making a difference.

\$3,000	Stair Lift
\$3,000-\$6,000	Specialized Equipment
\$10,000	Kitchen Modifications
\$10,000-\$15,000	Porch Lift and/or Ramp
\$20,000-\$25,000	Bathroom Modifications

Note that these prices are estimates and depend on the extent of work & types of equipment.

Please note these figures are for illustration purposes only. Net proceeds go to support CIL's mission.

When you register to Chip In for Accessibility at CIL's Annual Golf Tournament, you are helping to improve lives.

Net proceeds support CIL's mission. This includes support for our operations and community-based programs like AccesSolutions, bringing home modifications and special equipment to those who might not be able to afford them otherwise. Improvements include important pieces for accessible living like kitchen modifications, stair & porch lifts and bathroom modifications.

Many children find their independence on the seat of a bicycle – and seven-year-old Ariella is no different. Watch to learn about Ariella's story, and how CIL's AccesSolutions program was able to help The Bott family through the donation of a specialized bike.
